January 1979

Dear Members and Friends:

As we approach the Tenth Anniversary of the Middletown Springs Historical Society we have a very fine calendar of events planned. The Program Committee has been working very hard to schedule a most interesting variety of programs to help us celebrate this year.

The new slate of officers assumed office as of January 1, 1979 and are as follows:

President	-	Chester Rostkowski
Vice President	-	Frances Krouse
Secretary	-	Gail Lamson
Treasurer	-	Joseph Turnauer

Our Treasurer reports a bank balance of \$5,524.99 as of January 1, 1979.

To go along with the energy saving theme of the country, our top project for the year is to make our building more energy efficient. After the Library moves to their new home our next project will be to remodel that area for our Museum which will house all of the artifacts that have been donated to our Society.

Our principal fund raising event will be the Auction to be held on July 5, 1979, and the Mini-Mart scheduled for July 7, 1979. It's not too early to start cleaning out your attic of the things that you've been saving for years. If you haven't had a need for them by now, we certainly could use them for our auction and sale. You can call me at 235-2153 and I will gladly arrange to have them picked up.

I hope that 1979 will be a productive year for the Society if we all try to do our share. Why not renew your membership today so that we know we can count on you. Or, if you haven't joined, why not join and help make this year the most successful ever.

Sincere thanks and a healthy and happy coming year.

Sincerely,

Chester Rostkowski
